CONVENTION COVER LETTER

2-21-26 BY ZOOM @ 10am

Thank you to all for attending the February third caucuses, whether being a delegate, alternate or observer/participant. Many new forms were introduced this year by the MNGOP to improve the caucus reporting effectiveness. The entire caucus staff attended training for this process, but some irregularities and omissions still occurred which we apologize for. However, we have made an extensive effort to accommodate everyone in showing leniency to become aware of the procedures ahead at the county convention on 2-21-26 at 10 am by zoom. I have extended the del/alt filing deadline to go on in that capacity to CD8, JD & State until 6pm on Friday the 20th of February. Be aware that the Delegate pool is almost full, but there is room in the Alternate pool to achieve that status. There are costs (registration, food, lodging, transportation) which can be steep at the State level especially. Please call Fred Hage for further clarification if interested in responding to this issue , and be sure to pre-register for our ZOOM convention on Saturday, February 21st at 10 am by using the link in latest Call Letter.
