Proposed Rules Changes, reported by the committee:

Article III, Section 1

Change Vice Chair bullets to reflect 4 'at large' Vice Chairs due to difficulty in finding people to fill the roles. Opening up the positions to both house districts allows more flexibility in filling the roles.

Article III, Section 2

Removed Section C, to provide more flexibility to retain people who are interested in fulfilling these roles.

Article IV, Section 2, Line 1

Corrected language to adhere to current officer positions.

Article V

Changed committee membership to allow required membership to include any Full Committee member to provide more flexibility in volunteer allocations.
