Stillwater Middle School

523 West Marsh Street, Stillwater, MN 55082

9:30am registration, 10:30am gavel

<https://sd33mngop.com/Convention.html>

### Congressional District and State Delegate Info:

Our BPOU Constitution states in Article VII, Section 10:

“Delegates and Alternates to the MN Fourth/Eighth Congressional District and MN State Conventions allocated to the Senate District shall be elected at the Senate District Convention held in even numbered years.

The number of Alternates elected by the Convention may be twice the number of Delegates allocated to the Senate District. Alternates elected by the Convention shall be seated in rank order of their election. The order of ranking Alternates shall be in the order of votes received at the Convention. If any duly elected Delegate to the MN State Convention or MN CD4/CD8 Convention is absent, then a duly elected Alternate shall be seated in his/her seat.”

If you desire to run in either your Congressional District or the State Convention, you must seek both simultaneously. We have selected this method as most people seeking one of these roles are interested in both. CD4 elects 15 delegates, CD8 elects 24 delegates and twice as many alternates for each. This results in us having to allocate delegates, including by voting at the convention, separately by Congressional District.

Self-nomination will be available during registration at the convention. If you are unable to attend our convention, but desire to run as a delegate, you can self-nominate by clicking the ‘CD/State Absentee Nomination’ link here:
