Executive Board Information:

We welcome persons eligible for candidacy desiring to seek the Republican Officer positions to present themselves to our convention. A few notes to consider:

Per our Constitution, “All persons wishing to run for election to the Senate District Executive Committee shall interview with the Officer Nominating Committee.” This is commonly referred to as a ‘Nominations Committee’ and has been selected by the Executive Board for the upcoming convention. For practical logistical purposes the committee will meet in advance of the convention and as a result **candidates seeking an officer position must notify the committee no later than February XXst at XXpm their intention**. You may do this online here:

All submissions received will receive a response within 24 hours. The committee will meet at some point during the week prior to the convention remotely.

All candidates presenting themselves will be posted on the ‘Executive Board Candidates’ button on our website here: <https://sd33mngop.com/Convention.html>

All candidates and/or their campaign committees are urged to review convention documents, specifically the Agenda and Proposed Rules to plan for their presentation/speech to the delegates. Please note convention agenda, its order and rules are subject to change solely at the desire of the convention delegates.
