

ELECT RON SCHUTZ TO BE MINNESOTA'S ATTORNEY GENERAL

HE WILL FIGHT FOR A SAFE AND FAIR MINNESOTA

RON SCHUTZ

for ATTORNEY GENERAL

| TACKLING CRIME

Minnesotans deserve to live and raise their families in safe communities. Sadly, local and state officials have turned a blind eye to rising crime, leaving neighborhoods less safe and families feeling unprotected. Homicides remain well above pre-pandemic levels, carjackings continue to spread into suburbs, and property crimes are out of control. Unlike Keith Ellison, I won't wait for federal authorities to step in — I will take action. As Attorney General, I will partner with all levels of government to prosecute criminals, enforce our laws, and stand in support of law enforcement to restore safety across Minnesota.

| FIGHTING FRAUD

Minnesota taxpayers have lost more than a billion dollars to a culture of fraud that has flourished under 20 years of Democratic control in state government. Time and again, it has taken federal authorities to step in and do the job our leaders here have failed to do — investigate and prosecute fraudsters. As your Attorney General, I will make rooting out fraud a top priority and ensure that stolen funds are returned to the hardworking taxpayers of Minnesota.

| PROTECTING GIRLS SPORTS

Keith Ellison has gone out of his way to support policies that allow biological males to compete in girls' sports, undermining the opportunities women and girls have fought hard to achieve. As your Attorney General, I will stand up for fairness, protect the integrity of competition, and ensure that girls' and women's sports remain a place where their hard work, talent, and dedication are honored.

| SUPPORT OUR LAW ENFORCEMENT

Law enforcement officers feel under attack, making it harder for our cities and suburbs to recruit and retain the officers we need. Anti-police rhetoric and “defund the police” movements have made Minnesota less safe.

As Attorney General, I will stand in support of law enforcement, restore respect for those who protect our communities, and ensure that officers have the necessary resources and support.
