

POLITICAL CONTRIBUTION REFUND PROGRAM

The Political Contribution Refund program is available to individuals who are eligible to vote in Minnesota. Your political contributions made between January 1, 2022 and December 31, 2022 may qualify for a refund, and you may file one refund application per year.

The maximum refund is \$50 for an individual or \$100 for a married couple who file a joint tax return. A contribution tonight to (Insert name of your BPOU) will also qualify.

To receive a refund a contributor must:

1. Get a receipt from the political party unit or candidate to whom the contribution was made. If you contribute \$50 or \$100 tonight, our Treasurer will send you a receipt, an application form, and instructions on how to file.
2. You will fill out the application form, attach the receipt, and mail it to Minnesota Political Contribution Refund at the Minnesota Department of Revenue. This refund program is not related to the State income tax form and is to be filed separately from your tax form. You may send in your application as soon as you receive it or no later than April 15th of 2023.
3. After you donate, you will receive "Form PCR Instructions for 2022" that cover more information on the Political Contribution Refund Program. This form is also available from the Minnesota Campaign Finance and Disclosure Board and on the MN GOP website.
