Hubbard County Republicans Newsletter September 2021

We are a grassroots political organization working to elect strong Republicans who fight for the values and principles America was founded upon. For a return to a government which is truly "Of the People, By the People, and For the People"

In God we Trust

"Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same." ~ Ronald Reagan

Chairman's update

Dear Friends,

This past month it has been great to see so many new faces at our meetings. Wow, what a great turnout for the Town Hall and FAN. Please keep inviting your friends and likeminded republicans to join us. I am excited to announce that Minnesota Governor candidates Paul Gazelka and Michelle Benson will be speaking at our annual fundraising dinner on September 20th at Clancy's. Please join us...social hour starts at 5:30pm. Anyone who would like to help setup and decorate please show up about 4:30pm. Clancy's has limited parking spaces, so please ride share with as many people as possible.

I look forward to a great evening!

I will close with a couple things. One a great article from Molly Hemmingway about courage.

<https://thefederalist.com/2021/09/14/what-the-right-needs-now-is-the-courage-to-fight-even-if-it-costs-us/>

And the Jaycee Creed.

We Believe:

That faith in God gives meaning and purpose to human life;

That the brotherhood of man transcends the sovereignty of nations;

That economic justice can best be won by free men through free enterprise;

That government should be of laws rather than of men;

That earth's great treasure lies in human personality;

And that service to humanity is the best work of life.

Think about how the Jaycee's form young men and women into future leaders in our communities. Boy I sure miss those days and am grateful to have been a Jaycee!

Be courageous,

David De La Hunt
Hubbard County Republican Chair

Review of Monday's meeting

Attendance at our monthly meetings has been growing as people see the increasing tyranny of the current President, Governor, and other Leaders around the world. Monday's meeting was productive as we talked with Sen. Paul Utke and Rep. Steve Green, with topics including Vaccine mandates, Nursing staff shortages, and Election integrity.

Everyone is welcome to attend our meetings held the second Monday of every month. Check our Events page or facebook for location. We hope to see you there. Invite other like-minded Republicans to join us.

Local Action

The **Freedom Action Network of Park Rapids** seeks to organize fellow patriots into a group to take local actions to protect, defend and uphold our constitutional rights as given to us by natural law. We believe in personal choice for all medical, parental and religious decisions without threat of coercion, retaliation, termination, disciplinary action or censorship.

We plan to attend all public meetings of city, county, school board etc. locally to hold leaders accountable, plan rallies for freedom and support and encourage each other, especially when some of us are experiencing a current attack on their freedoms.

Join us to stop unconstitutional and government action by being part of "We the people" local action!

Sunday evenings 6pm.

Meeting Sunday Sept. 19th is at 23732 Elderberry Circle, Nevis. Meeting location will change in the near future. Stay connected!

Election Integrity

Don't let what happened in 2020, happen again in 2022.

Get involved.

Become an Election Judge or volunteer:

<https://mngop.com/election-integrity/>

If you can travel, you can be an election judge in troubled areas such as

around the Twin Cities and Duluth.

Change back to in person voting:
