Chairman's update

Dear Friends,

It has been a rocky ride for all this fall! I certainly appreciate all the support we have been receiving at our meetings and of course the fall fundraising dinner. It was great to hear from our local leaders and two Governor candidates. I would like to remind everyone that the next step to being more active in the party is to participate in the upcoming caucus on February 1st, 2022. It is at the caucus where you take the first step by becoming a precinct officer or delegate. You will then be able to participate in the county BPOU convention

where we select delegates and alternates to the congressional district eight and state party conventions. This is how you get to have a say in who our candidates for state and federal office are.

Thank you again for stepping up and having your voices heard!

Dave De La Hunt

Hubbard County BPOU Chairman

Election Integrity

Don't let what happened in 2020, happen again in 2022.

Get involved.

Become an Election Judge or volunteer:

<https://mngop.com/election-integrity/>

If you can travel, you can be an election judge in troubled areas such as around the Twin Cities and Duluth.

Bring back in person voting:

Attend your township meetings to get rid of mass mail in ballots.
